Dear Mr. Tarics,

With respect and emotion I am delighted to wish you, personally and on behalf of all my IOC collaborators, a very happy 100<sup>th</sup> birthday.

You are an example of excellency in everything you have undertaken from your water polo Olympic medal to your skills as an architect, engineer and inventor. Thank you for the inspiration you provide to the Olympic Movement.

We all wish you a fantastic day with your loved ones and the best of health.

With my warmest regards,

Thomas Bach
