Budapest, 25 November 2020

Dear Partners, dear Friends of Fair Play,

The International Fair Play Committee try to keep alive the ideas of Olympism and ethics of Fair Play in the shadow of Covid virus, trusting that this virus will be ended sooner or later and sport life will continue to flourish again. Sport is one of the fundamental part, we can say the basic of the ideas of Fair Play. We will to preserve it by all means in the future and for which it is essential to present good examples. This is yours and our tasks, too and I would like to ask for your kind support for this.

Because of the strong Covid situation, we were not able to organize our Award Ceremony this year, according to our plan we would like to hold this Gala on 7 September 2021, on the World Fair Play Day. Of course, the Award Ceremony of the 2020 winners will traditionally be held, hopefully, at the end of the year in 2021.

I really trust that in this fight threatened by the virus, we all agree that strengthening of sport, ideas of Olympism and Fair play are of high importance.

Thank you in advance for your honorable nominations.

I wish good health to all of you and take care,
